All Day. Every Day. Local Government Works For You!

Missouri Local Government Week
May 2-8, 2021

Comments from your City Administrator Jeana L. Woods, CPA

Missouri celebrates Local Government Week May 2 – 8, 2021. Local government has a direct impact on each of us in Osage Beach, every day. Working together, your cities, counties, and schools are the backbone of the community. The services and activities happening at the local government level is what is closest to the people of Osage Beach and include everything from road maintenance, clean water, park events, public safety, and convenient polling places, just to name a few.

The City of Osage Beach is fortunate to have dedicated staff and elected officials who are committed to our community. And a great example of our commitment and dedication is the City's recent awards for park and recreation excellence! The City received two acknowledgements of great achievement! The first was the 2020 Fields of Excellence Award from Pioneer Athletics. The Fields of Excellence Award program was established in 1997 and is a certificate of recognition for outstanding athletic fields and hardworking park field crews. The City's parks and recreation fields were judged against college, universities, high schools, and other Parks & Recreation Department applicants nationwide and the City was one of 73 winners from across the country. The City also received The James Farrell Award of Excellence, named in honor of former St. Louis ASA/USA Softball Commissioner and National Office Staff member James Farrell. To receive the award, host cities must do an outstanding job of hosting ASA/USA Softball National Championship Tournaments and must receive an overall rating of 95% from the ASA/USA Softball Representative, Umpire-In-Chief and National Office. The City of Osage Beach hosted two tournaments in 2020 and teams from across the country came to Osage Beach to participate.

In addition to Local Government Week, we are also recognizing National Police Week, Municipal Clerk Week, National Volunteer Week, National Travel and Tourism Week, and National Small Business Week, all recognized at various times in April and May 2021. Osage Beach is committed to providing superior municipal services, a safe and appealing place to live and conduct business, as well as growing our premier visitor destination. Next time you relax in the park, feel safe and secure, drink a glass of water, drive on a snow-plowed street, or if you just love your community, pause and consider your local government!

I would like to thank all the Osage Beach staff who make what we do every day possible! Thank you for choosing public service as your life-long dedication!

I hope you find value in the City's newsletter. Please know that your comments and suggestions are important! Do not hesitate to contact me. We are dedicated to being good stewards of our community and will continue to operate efficiently to deliver superior municipal services to our citizens and visitors.

NOW RECRUITING

*Be employed while
attending Academy!*

The City of Osage Beach is excited to announce its new Police Officer Recruit program. This program will invest in the future of qualified candidates by sponsoring Police Officer Recruits in a police academy and providing career opportunities. Successful individuals are those who have proven communication skills, demonstrated integrity, have a passion for service and caring for the community, and have taken initiative to gain higher education.

The starting salary for the Police Officer Recruit position is \$30,000 annually, paid on an hourly basis with benefits. Upon completion of a Police Academy and receiving P.O.S.T. certification, recruits will be promoted to the position of Police Officer. Police Officer starting salary is \$36,014 with a \$1.50 per hour shift differential pay, and uniforms are fully covered. After graduation, new officers will be placed in a Field Training Officer Program for 12 weeks. From this point on, officers work 12-hour shifts, 7:00 AM to 7:00 PM or 7:00 PM to 7:00 AM.

For more information, requirements, and how to apply visit our website at [**www.osagebeach.org**](http://www.osagebeach.org)

NATIONAL DNA DAY

APRIL 25, 2021

Osage Beach Police Department

Did you
know?

April 25, 1953 was the first publication of James Watson, Francis Crick, Maurice Wilkins, and Rosalind Franklin's discovery of DNA's double helix. The day also marks the completion of the first human genome sequence in 2003. The use of DNA has been assisting criminal investigations since 1986.

Welcome!

Nicole Stacey
Recreation Specialist

YEARS OF SERVICE AWARD

James Chapman Police Corporal 15 Years of Service

James started with the Police Department in 2006, working his way up to Corporal in 2015.

Fun Facts ~

My favorite thing about working for the City: The camaraderie with my co-workers.

One thing about me people may not know:

I am an exceptional cook!

Laura Stewart Paramedic 10 Years of Service

Laura started in 2011 as a part-time paramedic but she has always been consistent working for the citizens and visitors of Osage Beach.

Fun Facts ~

My favorite thing about working for the City: The short transport times.

One thing about me people may not know: I don't know. I'm an open book!

Dan Penrod EMT-B 5 Years of Service

Dan started with the Ambulance Dept. in 2016 as a part-time employee. In 2019 he joined the City as a full-time EMT.

Fun Facts ~

My favorite thing about working for the City: It's close to home.

One thing about me people may not know: I love to boat.
