Comments from your City Administrator

Jeana L. Woods, CPA, ICMA-CM

Spring is fast approaching, and City staff is preparing for many activities to begin at the Lake. The Parks & Recreation Department is busy with the upcoming Easter Egg Event, which will look a bit different than previous years, and the many sports activities held at the park. Youth and adult ball leagues will begin soon, and various registrations are open. Please visit our [website](#) for more information.

With the first quarter of the fiscal year ending soon, sales tax figures are coming in positive, supporting the increase in traffic already being noticed as we fast approach the busy Lake season. Not only does the season bring the peak of outdoor activities, it also is the time many road and infrastructure projects begin. Several road improvement projects are scheduled to be done this spring/summer, including improvements on Wren Drive, Mace Road, and Airport Road. Please use patience and caution in traveling through road construction.

I hope you find value in the City's newsletter. Please know that your comments and suggestions are important! Do not hesitate to contact me. We are dedicated to being good stewards of our community and will continue to operate efficiently to deliver superior municipal services to our citizens and visitors.
