Comments from Your City Administrator **Jeana L. Woods, CPA, ICMA - CM**

Missouri celebrates Local Government Week April 12 – 18!

Local government has a direct impact on each of us in Osage Beach, every day. Working together, your cities, counties, and schools are the backbone of the community.

The City of Osage Beach is committed to providing superior municipal services, a safe and appealing place to live and conduct business, as well as growing our premier visitor destination. The services and activities happening at the local government level is what is closest to the people of Osage Beach and include everything from road maintenance, clean water, park events, public safety, and convenient polling places, just to name a few.

The City of Osage Beach is fortunate to have dedicated staff and elected officials who are committed to our community. Next time you relax in the park, feel safe and secure, drink a glass of water, drive on a snow-plowed street, or if you just love your community, pause and consider your local government!

Want to learn more about us? This year's annual ***Citizen's Academy*** will be held in the fall with registration to open in June. Mark your calendars and watch for updates on our website.

Citizen's Academy is great opportunity for the community to get to know your local government with sessions held once a week for 2 hours from September 30, 2020 - October 21, 2020.

I would like to thank all the Osage Beach staff who make what we do every day possible! Thank you for choosing public service as your life-long dedication!

Jeana L Woods, CPA, ICMA - CM, City Administrator

First Day of Spring!

March 19th

The Nitty Gritty

Engineering Dept Update: Bids will soon be going out for the cleaning of Swiss Village Water Tower. Construction on that new well house starts soon.

Transportation Dept Update: We have begun crack-sealing streets in preparation of our slurry seal project, updating surface information of all City and private-owned streets within City Limits. March will be our storm water drainage inspections across the City.

Sewer Department Update: We're working on preventative maintenance on our lift stations and grinder pumps, rebuilding pumps in-house and fixing a gravity line in Tan-Tar-A Estates.

Water Department Update: The department is starting spring maintenance on the wells. Some flushing projects will begin this month.

Please remember to slow down, or move over, for crews and personnel working on streets and sidewalks.

Happy National Public Safety Telecommunications Week

04/12/20 - 04/18/2020

Every year during the second week of April, the telecommunications personnel in the public safety community, are honored. This week-long event is a time to celebrate and thank those who dedicate their lives to serving the public. It is a week that should be set aside so everyone can be made aware of their hard work and dedication. Thank you, again, for all the sacrifices you make to create a better and safer world for the public. Your commitment to your profession is appreciated by all.

THANK YOU, DISPATCHERS!

The unsung heroes of public safety

OSAGE BEACH PARKS AND
RECREATION
