Local

Government

Week

APRIL 14th - 20th

Comments from your City Administrator Jeana L. Woods, CPA

Missouri celebrates **Local Government Week April 14 – 20**. Local government has a direct impact on each of us in Osage Beach, every day. Working together, your cities, counties, and schools are the backbone of the community.

The City of Osage Beach is committed to providing superior municipal services, a safe and appealing place to live and conduct business, as well as growing our premier visitor destination. The services and activities happening at the local government level is what is closest to the people of Osage Beach and include everything from road maintenance, clean water, park events, public safety, and convenient polling places, just to name a few. The City of Osage Beach is fortunate to have dedicated staff and elected officials who are committed to our community. Next time you relax in the park, feel safe and secure, drink a glass of water, drive on a snow-plowed street, or if you just love your community, pause and consider your local government!

I would like to thank all the Osage Beach staff who make what we do every day possible! Thank you for choosing public service as your life-long dedication!

Jeana L Woods, CPA, City Administrator
