Comments from your City Administrator Jeana L. Woods, CPA, ICMA-CM

As we approach the last fiscal quarter of the year with the weather changing and multiple holidays upon us, City staff gears up for a variety of events and meetings.

The Board of Aldermen will hold at least three special meetings in the upcoming months to discuss and prepare for the FY2020 budget. These meetings are open to the public and is time set aside for the Mayor and Board to review with staff the priorities for the upcoming year. The FY2020 Operating Budget will be set up for adoption in December to begin the fiscal year January 1, 2020.

The next few months are packed with activities that the community will certainly enjoy! The Osage Beach City Park Fishing Derby is the first Saturday in October, October 5 beginning at 9 AM. The following Saturday, also at the Osage Beach City Park, is the City's 19th Annual Fall Festival. The festival begins at 10 AM and will include many favorites returning like the outstanding entertainment, free kids activities, and many great eats!

The Public Works Department's fall leaf pickup program will begin around the Thanksgiving holiday, weather dependent. Also, following the Thanksgiving holiday, the City's Holiday Light Park will open and run through the end of the year.

City staff is dedicated to being good stewards to our community and will continue to operate efficiently to deliver superior municipal services to our citizens and visitors. And, we want to hear from our community. Please stay engaged through our social media pages as well as our website, never miss any information by signing up for all City alerts at www.osagebeach.org. Click on the "Notify Me Sign Up" and follow the easy steps.

Jeana L. Woods CPA, ICMA-CM, City Administrator

Congratulations City Administrator Jeana Woods!

The Missouri Municipal League welcomed three new board members to the Board of Directors, one of which is our very own City Administrator Jeana Woods!

Jeana was elected to the Board at MML's Annual Conference in September.

Ages 15 & Under - All Equipment Provided!

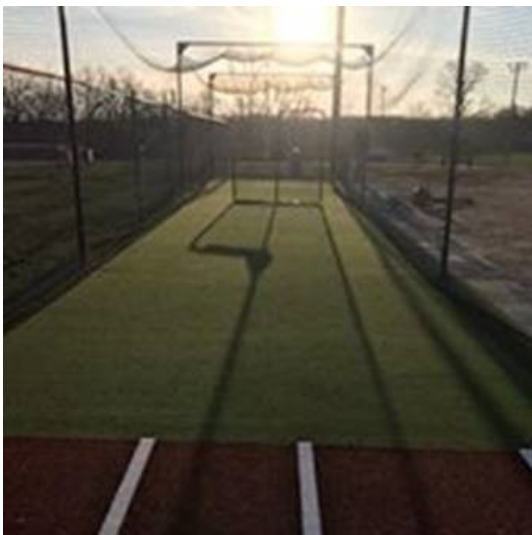

PEANICK PARK RIBBON CUTTING

Join us at Peanick Park on Thursday, October 24th at 11:30 a.m. for a ribbon cutting ceremony!

This is an opportunity for the public to come out and see the improvements that have occurred over the course of the last 3 years, thanks to funds received from the National Park Service, through two Land and Water Conservation Fund grants.

Kiwanis Club of Ozark Coast and Elks Lodge 2517, partners who helped contribute to the project, will be in attendance along with the Missouri Department of Natural Resources, State Park Division, who administered the federal grant.

The City of Osage Beach Parks and Recreation Staff will be on hand to discuss how this was all possible and what's next for the park!

YEARS OF SERVICE AWARD

Billie Looney A/P - Payroll Clerk 5 Years of Service

Billie started with the City in our 911 Center. In 2017 she transferred to the City Treasurer's Office as Utility Billing Clerk and in March of this year became the Accounts Payable/Payroll Clerk.

Fun Facts ~

My favorite thing about working for the City: All the different opportunities it has given me to be more involved with my community.

One thing about me people may not know: I have been line dancing since I was 14 and have taught it in the past.

EXIT **SAFETY TIPS**

From Your Building Inspector

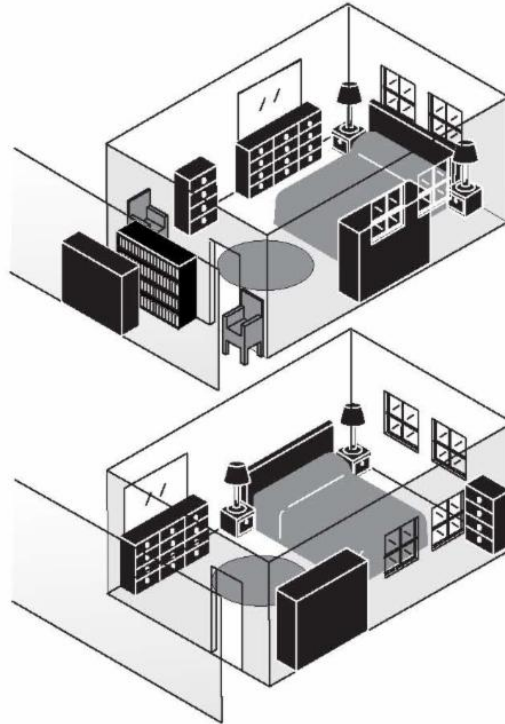

Make a Safe Exit

During a home emergency, such as a fire, it's important that all occupants are able to get out—and emergency personnel are able to get in—as quickly and easily as possible.

Safe Exit Paths and Passages

- Keep hallways clear of obstructions.
- Do not block or obstruct emergency escape windows and exit doors.
- Make sure all family members know how to unlock and open windows and doors.
- Be sure window security bars release from the inside in case of emergency.
- Develop and practice a fire escape plan.

According to the U.S. Fire Administration, it takes less than 30 seconds for a small flame to burn completely out of control and turn into a major fire. Within minutes, a house can fill with thick, black smoke and become engulfed in flames. Building safety codes designate minimum window and hallway sizes to allow occupants to get out in case of emergency, and provide access for first responders to get in. Contact your local building safety department for more information.

Do you have an armadillo problem?

You can **NOT** shoot armadillos within the Osage Beach city limits. City ordinance 210.840 prohibits the discharging of firearms within the City limits.

The Missouri Department of Conservation advises the best way to deter these pesky critters is by treating your yard with grub killer. You can also live trap armadillos; however, the Conservation Department discourages relocating them. Contact your local Conservation Agent if you catch one in your trap. Live traps are available for use on a first come, first serve basis at the Camden Conservation office, 346-2210 or can be purchased at your local farm and home stores.

The Osage Beach Police Department Animal Control does not handle nuisance wildlife calls but you may contact your local Conservation Agents:

Camden County: Tyler Brown 573-836-3257
Derek Warnke 573-836-4503

Miller County: Eric Swanston 573-280-7892

Public Works is *Rolling Along*

- ♦ The Transportation Department finished up striping on City streets. If you notice an area of concern, please call us.
 - ♦ Breast Cancer Awareness banners were installed along Nichols Rd. at the Hospital.
 - ♦ The Dude Ranch Rd. sidewalk project is in full swing.
 - ♦ Clearing for the well and well house at Swiss Village Tower is in progress.
 - ♦ OB Parkway Sidewalk Phase 5 has been awarded and should begin in Fall of 2019.
 - ♦ The Water Department is in the process of updating water meters throughout the City.
 - ♦ The Sewer Department is also in the process of upgrading meter posts from wood to galvanized steel per AUE code.
-

The City's Managed Deer Hunt runs through Jan. 15th. Please call Public Works at 302-2020 if you'd like to register for a permit or include your property as a landowner.

We continue to mow along City streets and the Parkway. If you notice an area that needs our attention, please call us.
