Message from City Administrator

Welcome Spring! The City will soon be embarking on numerous events and projects as the weather becomes warmer and days longer. **Public works** crews are starting on much needed projects to enhance our water and sewer systems, and road crews soon be preparing for mowing and other road maintenance throughout the City. This year's budget outlines several capital projects to upgrade and expand water and sewer service including upgrades to many of the City's largest sewer lift stations. Several sidewalk and road improvement projects are also expected to begin in the upcoming months. Please be cautious when driving near our hard-working City crews!

Park activities are picking up as well! Youth sports will soon begin, and the parks crews are preparing for the annual **Easter Egg Hunt to be held on Saturday, April 16**. Another service our parks department offers citizens is yard waste-drop off. Between Monday, April 18 through July 31, citizens can drop off yard waste at the City Park. Details on this and other events can be found on the [parks page](#) on our website.

I hope you find value in the City's newsletter. In addition, the City provides a lot of information on our [website](#), including Board meeting activity, official City statements, and my office's monthly report to the Board of Aldermen which can be found [HERE](#).

Please know that your comments and suggestions are important! Do not hesitate to contact me or other staff members. We are dedicated to being good stewards of our community and will continue to operate efficiently to deliver superior municipal services to our citizens and visitors.

Osage Beach's municipal airports play a valuable role in the City's economic growth!

General Aviation and community airports are a vital asset to a community's economic strength, providing commerce, tourism, jobs, and business support.

On March 29, 2022, we honor our City's two municipal airports, the **Lee C Fine Airport** and the **Grand Glaize Airport**, for the invaluable role the airport operations play in Osage Beach's economic prosperity, and **we thank our airport employees** for their hard work and dedication to serving our community!
