-City of Osage Beach- Shooting

UPDATE #1 – The person who sustained the gunshot wound to the chest has since passed away. He is identified as David C Davis age 22 of Eldon, MO

After further investigation, it is now known that Davis and Michael P Watwood age 32 of Kaiser were sitting in a vehicle in the parking lot of Jetz Trampoline Park located at 1075 Passover Rd when another subject identified as Fernando Hutchinson age 20 of Osage Beach, MO approached their vehicle in what we believe was to buy marijuana, as Hutchinson was at Davis's vehicle he reached in through the window and grabbed something and took off running in the direction of Autumn Hills apartments located on Redbud Rd, Davis, and Watwood began to chase Hutchinson. Watwood and Davis split up and Davis chased Hutchinson to the area of Kay Lynn Resort. Shots were fired and Davis was struck in the chest.

After the shooting, Hutchinson ran back to his apartment where he was later located by Officers after their arrival. Hutchinson declined to make a statement on scene.

After interviewing those subjects who were detained, they stated they were out of marijuana, and at some point, Hutchison made comments he was going to steal some marijuana.

A handgun was recovered in Hutchinson's apartment when Officers served a search warrant there.

Hutchinson was arrested and transported to the Osage Beach Police Department. Hutchinson would be later transported to the Camden County Jail and charged with Murder 1st Degree and Armed Criminal Action, with No Bond.

This is an ongoing investigation; any further information that becomes available will be released via press release.

Osage Beach, MO – On 03/31/2024 at 8:33 pm Officers were dispatched to the area of 1075 Passover Rd for a Disturbance in progress and shots fired. Upon arrival, Officers found one subject with a gunshot wound to the chest who was treated on the scene and was transported to the hospital by Ambulance. Officers detained several subjects on the scene, and they were transported to the Osage Beach Police Department to be interviewed.

Officers know there was a disturbance among several subjects, at this time it is unknown what the disturbance was about. Detectives are currently investigating the case to determine what happened.

We don't believe there is any danger to the public.

Any further information that becomes available will be released via Press Release.

Osage Beach Police Department was assisted by the Osage Beach Ambulance, Osage Beach Fire Protection District, Camden County Sheriff's Office, Missouri State Highway Patrol, Mid MO Drug Task Force and Camden County Prosecutors Office.
