Project Announcement – A New Bass Fishing Resort Coming to Osage Beach, MO

Osage Beach, MO – The City of Osage Beach is excited to share the announcement made today by Anglers Outpost. An all-new Anglers Outpost resort, specifically designed for anglers, featuring suites, sleeping rooms, garage space, and other amenities is underway with an anticipated opening within the year. This \$7+ million project will be located on Osage Beach Parkway on the west end of town, near the KK intersection with easy access to Hwy 54.

“This is an entire campus designed by fishermen, built by fishermen, to serve fishermen,” said Tom Lloyd, Jr. the project mastermind. Lloyd Jr., a competitive fisherman who travels across the United States for tournaments, knows firsthand the difficulty of finding appropriate accommodations. *“We have a lot of expensive gear and sonar equipment on our boats and in our tow vehicles. Charging it and protecting it is a major hassle. But not at Anglers Outpost!”*

Mayor Harmison stated, *“The hospitality industry realizes what a great tourism group anglers really are. We are excited that Anglers Outpost chose Osage Beach for their first resort to serve the fishing and boating community in a first-class manner. They picked a great location and are super close to PB2 where all the big tournaments launch from. This will impact the entire KK interchange in a positive way. This is going to be a GREAT addition to Lake of the Ozarks”.*
