

AN ORDINANCE OF THE CITY OF OSAGE BEACH, MISSOURI, AUTHORIZING THE MAYOR TO EXECUTE THE MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION STATE BLOCK GRANT AGREEMENT, FOR THE DESIGN WORK NEEDED ON THE LEE C. FINE AIRPORT RUNWAY AND LIGHTING REHAB PROJECT.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, AS FOLLOWS:

Section 1. That the Board of Aldermen hereby authorizes the Mayor to execute on behalf of the City the agreement with the Missouri Highways and Transportation Commission State Block Grant Agreement for Lee C. Fine Airport design work needed on the runway and lighting project as indicated in the attached agreement under the same or substantially similar terms and conditions ("Exhibit A").

Section 2. The City Administrator is hereby authorized to take such further actions as are necessary to carry out the intent of this Ordinance and Contract.

Section 3. That this Ordinance shall be in full force and effect from and after the date of passage.

READ FIRST TIME: March 21, 2024

READ SECOND TIME: April 4, 2024

I hereby certify that the above Ordinance No. 24.19 was duly passed on April 4, 2024, by the Board of Aldermen of the City of Osage Beach. The votes thereon were as follows:

Ayes:

Nays:

Abstain:

Absent:

This Ordinance is hereby transmitted to the Mayor for his signature.

Sponsor: City of Osage Beach
Project No.: 24-046B-1
Airport Name: Lee C. Fine Memorial

CFDA Number: CFDA #20.106
CFDA Title: Airport Improvement Program
Federal Agency: Federal Aviation Administration, Department of Transportation

**MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION
STATE BLOCK GRANT AGREEMENT**

THIS GRANT AGREEMENT is entered into by the Missouri Highways and Transportation Commission (hereinafter, "Commission") and the City of Osage Beach (hereinafter, "Sponsor"). Reference will also be made to the Federal Aviation Administration (hereinafter, "FAA") and the Federal Airport Improvement Program (hereinafter, "AIP").

WITNESSETH:

WHEREAS, Section 116 of the federal Airport and Airway Safety and Capacity Expansion Act of 1987 amended the previous Act of 1982 by adding new section 534 entitled "State Block Grant Pilot Program", (Title 49 United States Code (USC) Section 47128); and

WHEREAS, the Federal Aviation Reauthorization Act of 1996 declared the State Block Grant Program to be permanent; and

WHEREAS, the Commission has been selected by the FAA to administer state block grant federal funds under said program; and

WHEREAS, the Sponsor has applied to the Commission for a sub grant under said program; and

WHEREAS, the Commission has agreed to award funds to the Sponsor with the understanding that such funds will be used for a project pursuant to this Agreement for the purposes generally described as follows:

Rehabilitate Runway 4/22 and Lighting;

NOW, THEREFORE, in consideration of these mutual covenants, promises and representations, the parties agree as follows:

(1) PURPOSE: The purpose of this Agreement is to provide financial assistance to the Sponsor under the State Block Grant Program.

(2) PROJECT TIME PERIOD: The project period shall be from the date of execution by the Commission to September 30, 2025. The Commission's assistant chief engineer may, for good cause as shown by the Sponsor in writing, extend the project time period.

(3) TITLE EVIDENCE TO EXISTING AIRPORT PROPERTY: The Sponsor shall provide satisfactory evidence of title to all existing airport property and avigation easements and address any and all encumbrances. Satisfactory evidence will consist of the Sponsor's execution of a Certificate of Title form provided by the Commission.

(4) AMOUNT OF GRANT: The initial amount of this grant is not to exceed Two Hundred Forty-Three Thousand One Hundred Eighty-Five Dollars (\$243,185) for eligible preliminary project costs and/or land/easement acquisition. A grant amendment to cover the balance of eligible project costs will be provided after construction bids are received.

(A) The amount of this grant stated above represents ninety percent (90%) of eligible project costs.

(B) The designation of this grant does not create a lump sum quantity contract, but rather only represents the amount of funding available for qualifying expenses. In no event will the Commission provide the Sponsor funding for improvements or work that are not actually performed. The release of all funding under this Agreement is subject to review and approval of all project expenses to ensure that they are qualifying expenses under this program.

(5) AMOUNT OF MATCHING FUNDS: The initial amount of local matching funds to be furnished by the Sponsor is not to exceed Twenty Seven Thousand Twenty Dollars (\$27,020).

(A) The amount of matching funds stated above represents ten percent (10%) of eligible project costs.

(B) The Sponsor warrants to the Commission that it has sufficient cash on deposit to provide the local matching funds identified above, as well as to cover one hundred percent (100%) of any ineligible items included in the scope of work.

(6) ALLOWABLE COSTS: Block grant funds shall not be used for any costs that the Commission and/or the FAA has determined to be ineligible or unallowable in accordance with 49 USC Chapters 471 and 475.

(7) WITHDRAWAL OF GRANT OFFER: The Commission reserves the right to amend or withdraw this grant offer at any time prior to its acceptance by the Sponsor.

(8) EXPIRATION OF GRANT OFFER: This grant offer shall expire, and the Commission shall not be obligated to pay any part of the costs of the project unless this grant Agreement has been executed by the Sponsor on or before May 1, 2024, or such subsequent date as may be prescribed in writing by the Commission.

(9) FEDERAL SHARE OF COSTS: The United States' share of the allowable project costs will be made in accordance with 49 USC §47109 and the provisions of such

regulations, policies and procedures as the Secretary of the United States Department of Transportation (USDOT) shall practice. Final determination of the United States' share will be based upon the final audit of the total amount of allowable project costs, and settlement will be made for any upward or downward adjustments to the federal share of costs.

(10) COMPLETING THE PROJECT WITHOUT DELAY AND IN CONFORMANCE WITH REQUIREMENTS: The Sponsor must assure that the project is carried out and completed without undue delays and in accordance with this Agreement, applicable laws, statutes, regulations, and policies and procedures of the USDOT Secretary. Per 2 Code of Federal Regulations (CFR) §200.308, the Sponsor agrees to report to the Commission any disengagement from funding eligible expenses under the Agreement and any subgrants thereto that exceed three months and request prior approval from the Commission. The report must include a reason for the stoppage. The Sponsor agrees to comply with the attached assurances, which are part of this Agreement. These assurances, conditions, and any addendums apply to any subgrants issued under this Agreement.

(11) RECOVERY OF FEDERAL FUNDS: The Sponsor shall take all steps, including litigation if necessary, to recover federal funds spent fraudulently, wastefully, in violation of federal antitrust statutes, or misused in any other manner for any project upon which federal funds have been expended. For the purpose of this grant Agreement, the term "federal funds" means funds however used or disbursed by the Sponsor that were originally paid pursuant to this or any other federal grant Agreement. The Sponsor must obtain the approval of the Commission as to any determination of the amount of the federal share of such funds. The Sponsor shall return the recovered federal share, including funds recovered by settlement, order or judgment, to the Commission. The Sponsor shall furnish to the Commission, upon request, all documents and records pertaining to the determination of the amount of the federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such federal share shall be approved in advance by the Commission.

(12) UNITED STATES NOT LIABLE FOR DAMAGE OR INJURY: The United States is not responsible or liable for damage to property or injury to persons that may arise from, or be incident to, compliance with this Agreement or subgrants issued under this Agreement, including, but not limited to, any action taken by a Sponsor related to or arising from, directly or indirectly, this Agreement.

(13) PAYMENT: Payments to the Sponsor are made on an advance basis. The Sponsor may request incremental payments during the course of the project or a lump sum payment upon completion of the work. However, this advance payment is subject to the limitations imposed by subparagraph (13)(B) of this Agreement.

(A) The Sponsor may request payment at any time subsequent to the execution of this Agreement by both parties. Requests for reimbursement shall be

supported with invoices. After the Sponsor pays incurred costs, copies of checks used to pay providers must be submitted to the Commission.

(B) It is understood and agreed by and between the parties that the Commission shall make no payment which could cause the aggregate of all payments under this Agreement to exceed ninety percent (90%) of the maximum federal (block grant) obligation stated in this Agreement or eighty-six percent (86%) of actual total eligible project cost, whichever is lower, until the Sponsor has met and/or performed all requirements of this grant Agreement to the satisfaction of the Commission. The final ten percent (10%) of the maximum federal (block grant) obligation stated in this Agreement shall not be paid to the Sponsor until the Commission has received and approved all final closeout documentation for the project.

(C) Within ninety (90) days of final inspection of the project funded under this Agreement, the Sponsor shall provide to the Commission a final payment request and all financial, performance and other reports as required by the conditions of this Agreement, with the exception of the final audit report. This report shall be provided when the Sponsor's normal annual audit is completed.

(D) When force account or donations are used, the costs for land, engineering, administration, in-kind labor, equipment and materials, etc., may be submitted in letter form with a breakdown of the number of hours and the hourly charges for labor and equipment. Quantities of materials used and unit costs must also be included. All force account activity, donations, etc., must be pre-approved by the Commission to ensure eligibility for funding.

(14) ADMINISTRATIVE/AUDIT REQUIREMENTS: This grant shall be governed by the administrative and audit requirements as prescribed in 2 CFR Part 200.

(A) If the Sponsor expends Seven Hundred Fifty Thousand Dollars (\$750,000) or more in a year in federal financial assistance, it is required to have an independent annual audit conducted in accordance with 2 CFR Part 200. A copy of the audit report shall be submitted to the Missouri Department of Transportation (hereinafter, "MoDOT") within the earlier of thirty (30) days after receipt of the auditor's report or nine (9) months after the end of the audit period. Subject to the requirements of 2 CFR Part 200, if the Sponsor expends less than Seven Hundred Fifty Thousand Dollars (\$750,000) in a year, the Sponsor may be exempt from auditing requirements for that year, but records must be available for review or audit by applicable state and federal authorities.

(B) When the Sponsor's normal annual audit is completed, the Sponsor shall provide to the Commission a copy of an audit report that includes the disposition of all federal funds involved in this project.

(C) In the event a final audit has not been performed prior to the closing of the grant, the Commission retains the right to recover any appropriate amount of funding after fully considering interest accrued or recommendations on disallowed costs

identified during the final audit.

(D) The Commission reserves the right to conduct its own audit of the Sponsor's records to confirm compliance with grant requirements and to ensure that all costs and fees are appropriate and acceptable.

(15) ASSURANCES/COMPLIANCE: The Sponsor shall adhere to the FAA standard airport Sponsor assurances as outlined in attached Exhibit 1, current FAA Advisory Circulars (ACs) for AIP projects and/or the Commission's specifications. These assurances, ACs and the Commission's specifications are hereby incorporated into and made part of this Agreement. The Sponsor shall review the assurances, ACs, Commission's specifications and current FAA Order 5190.6 entitled "FAA Airport Compliance Manual", and notify the Commission of any areas of non-compliance within its existing facility and/or operations. All non-compliance situations must be addressed and a plan to remedy areas of non-compliance must be established before final acceptance of this project and before final payment is made to the Sponsor.

(16) LEASES/AGREEMENTS: The Sponsor shall ensure that its lease agreements provide for fair market value income and prohibit exclusive rights.

(A) Long term commitments (longer than five (5) years) must provide for renegotiation of the leases'/agreements' terms and payments at least every five (5) years.

(B) Leases/agreements shall not contain provisions that adversely affect the Sponsor's possession and control of the airport or interfere with the Sponsor's ability to comply with the obligations and covenants set forth in this grant Agreement.

(17) NONDISCRIMINATION ASSURANCE: With regard to work under this Agreement, the Sponsor agrees as follows:

(A) Civil Rights Statutes: The Sponsor shall comply with all state and federal statutes relating to nondiscrimination, including but not limited to Title VI and Title VII of the Civil Rights Act of 1964, as amended (42 USC 2000d and 2000e, *et seq.*), as well as any applicable titles of the Americans with Disabilities Act. In addition, if the Sponsor is providing services or operating programs on behalf of the Department or the Commission, it shall comply with all applicable provisions of Title II of the Americans with Disabilities Act.

(B) Administrative Rules: The Sponsor shall comply with the administrative rules of the USDOT relative to nondiscrimination in federally-assisted programs of the USDOT (49 CFR Subtitle A, Part 21) which are herein incorporated by reference and made part of this Agreement.

(C) Nondiscrimination: The Sponsor shall not discriminate on grounds of the race, color, religion, creed, sex, disability, national origin, age, or ancestry of any individual in the selection and retention of subcontractors, including procurement of

materials and leases of equipment. The Sponsor shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR Subtitle A, Part 21, Section 21.5, including employment practices.

(D) Solicitations for Subcontracts, Including Procurements of Material and Equipment: These assurances concerning nondiscrimination also apply to subcontractors and suppliers of the Sponsor. These apply to all solicitations either by competitive bidding or negotiation made by the Sponsor for work to be performed under a subcontract, including procurement of materials or equipment. Each potential subcontractor or supplier shall be notified by the Sponsor of the requirements of this Agreement relative to nondiscrimination on grounds of the race, color, religion, creed, sex, disability, national origin, age, or ancestry of any individual.

(E) Information and Reports: The Sponsor shall provide all information and reports required by this Agreement, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the Commission or the USDOT to be necessary to ascertain compliance with other contracts, orders, and instructions. Where any information required of the Sponsor is in the exclusive possession of another who fails or refuses to furnish this information, the Sponsor shall so certify to the Commission or the USDOT as appropriate and shall set forth what efforts it has made to obtain the information.

(F) Sanctions for Noncompliance: In the event the Sponsor fails to comply with the nondiscrimination provisions of this Agreement, the Commission shall impose such contract sanctions as it or the USDOT may determine to be appropriate, including but not limited to:

1. Withholding of payments under this Agreement until the Sponsor complies; and/or
2. Cancellation, termination, or suspension of this Agreement, in whole or in part, or both.

(G) Incorporation of Provisions: The Sponsor shall include the provisions of paragraph (17) of this Agreement in every subcontract, including procurements of materials and leases of equipment, unless exempted by the statutes, executive order, administrative rules or instructions issued by the Commission or the USDOT. The Sponsor will take such action with respect to any subcontract or procurement as the Commission or the USDOT may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that in the event the Sponsor becomes involved or is threatened with litigation with a subcontractor or supplier as a result of such direction, the Sponsor may request the United States to enter into such litigation to protect the interests of the United States.

(18) CANCELLATION: The Commission may cancel this Agreement at any time the Sponsor breaches the contractual obligations by providing the Sponsor with written notice of cancellation. Should the Commission exercise its right to cancel the Agreement for such reasons, cancellation will become effective upon the date specified in the notice of cancellation sent to the Sponsor.

(A) Upon written notice to the Sponsor, the Commission reserves the right to suspend or terminate all or part of the grant when the Sponsor is, or has been, in violation of the terms of this Agreement. Any lack of progress that significantly endangers substantial performance of the project within the specified time shall be deemed a violation of the terms of this Agreement. The determination of lack of progress shall be solely within the discretion of the Commission. Once such determination is made, the Commission shall so notify the Sponsor in writing. Termination of any part of the grant will not invalidate obligations properly incurred by the Sponsor prior to the date of termination.

(B) The Commission shall have the right to suspend funding of the project at any time and for so long as the Sponsor fails to substantially comply with all the material terms and conditions of this Agreement. If the Commission determines that substantial noncompliance cannot be cured within thirty (30) days, then the Commission may terminate the funding for the project. If the Sponsor fails to perform its obligations in substantial accordance with the Agreement (except if the project has been terminated for the convenience of the parties) and the FAA requires the Commission to repay grant funds that have already been expended by the Sponsor, then the Sponsor shall repay the Commission such federal funds.

(19) VENUE: It is agreed by the parties that any action at law, suit in equity, or other judicial proceeding to enforce or construe this Agreement, or regarding its alleged breach, shall be instituted only in the Circuit Court of Cole County, Missouri.

(20) LAW OF MISSOURI TO GOVERN: This Agreement shall be construed according to the laws of the State of Missouri. The Sponsor shall comply with all local, state, and federal laws and regulations relating to the performance of this Agreement.

(21) WORK PRODUCT: All documents, reports, exhibits, etc. produced by the Sponsor at the direction of the Commission shall remain the property of the Sponsor. However, Sponsor shall provide to the Commission a copy of magnetic discs that contain computer aided design and drafting (CADD) drawings and other documents generated under this grant. Information supplied by the Commission shall remain the property of the Commission. The Sponsor shall also supply to the Commission hard copies of any working documents such as reports, plans, specifications, etc., as requested by the Commission.

(22) CONFIDENTIALITY: The Sponsor shall not disclose to third parties confidential factual matter provided by the Commission except as may be required by statute, ordinance, or order of court, or as authorized by the Commission. The Sponsor shall notify the Commission immediately of any request for such information.

(23) NONSOLICITATION: The Sponsor warrants that it has not employed or retained any company or person, other than a bona fide employee working for the Sponsor, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the Commission shall have the right to annul this Agreement without liability, or in its discretion, to deduct from this Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

(24) DISPUTES: Any disputes that arise under this Agreement shall be decided by the Commission or its representative.

(25) INDEMNIFICATION:

(A) To the extent allowed or imposed by law, the Sponsor shall defend, indemnify and hold harmless the Commission, including its members and department employees, from any claim or liability whether based on a claim for damages to real or personal property or to a person for any matter relating to or arising out of the Sponsor's wrongful or negligent performance of its obligations under this Agreement.

(B) The Sponsor will require any contractor procured by the Sponsor to work under this Agreement:

1. To obtain a no cost permit from the Commission's district engineer prior to working on the Commission's right of way, which shall be signed by an authorized contractor representative (a permit from the Commission's district engineer will not be required for work outside of the Commission's right of way); and

2. To carry commercial general liability insurance and commercial automobile liability insurance from a company authorized to issue insurance in Missouri, and to name the Commission, and MoDOT and its employees, as additional named insureds in amounts sufficient to cover the sovereign immunity limits for Missouri public entities (\$500,000 per claimant and \$4,000,000 per occurrence) as calculated by the Missouri Department of Insurance, Financial Institutions and Professional Registration, and published annually in the Missouri Register pursuant to section 537.610 RSMo.

(C) In no event shall the language of this Agreement constitute or be construed as a waiver or limitation for either party's rights or defenses with regard to each party's applicable sovereign, governmental, or official immunities and protections as provided by federal and state constitution or law.

(26) HOLD HARMLESS: The Sponsor shall hold the Commission harmless from

any and all claims for liens of labor, services or materials furnished to the Sponsor in connection with the performance of its obligations under this Agreement. Certification statements from construction contractors must be provided to ensure all workers, material suppliers, etc., have been paid.

(27) NOTIFICATION OF CHANGE: The Sponsor shall immediately notify the Commission of any changes in conditions or law which may significantly affect its ability to perform the project in accordance with the provisions of this Agreement. Any notice or other communication required or permitted to be given hereunder shall be in writing and shall be deemed given three (3) days after delivery by United States mail, regular mail postage prepaid, or upon receipt by personal, facsimile or electronic mail (email) delivery, addressed as follows:

Commission: Kyle LePage
Administrator of Aviation
Missouri Department of Transportation
P.O. Box 270
Jefferson City, MO 65102
(573) 526-5571
(573) 526-4709 FAX
email: kyle.lepage@modot.mo.gov

Sponsor: Jeana Woods
City Administrator
1000 City Parkway
Osage Beach, MO 65065
(573) 302-2000 ext. 1010
email: jwoods@osagebeach.org

or to such other place as the parties may designate in accordance with this Agreement. To be valid, facsimile or email delivery shall be followed by delivery of the original document, or a clear and legible copy thereof, within three (3) business days of the date of the facsimile or email transmission of the document.

(28) DURATION OF GRANT OBLIGATIONS: Grant obligations are effective for the useful life of any facilities/equipment installed with grant funds, but in any event not to exceed twenty (20) years. There shall be no limit on the duration of the assurance against exclusive rights or terms, conditions and assurances with respect to real property acquired with federal funds. Paragraph (28) equally applies to a private sponsor. However, in the case of a private sponsor, the useful life for improvements shall not be less than ten (10) years.

(A) The financial assistance provided hereunder constitutes a grant to the Sponsor. Neither the Commission nor the FAA will have title to the improvements covered by this Agreement, as title to same shall vest in the Sponsor.

(B) For the grant duration period, the Sponsor becomes obligated, upon any sale or disposition of the airport or discontinuation of operation of the airport to immediately repay, in full, the grant proceeds or proportionate amount thereof based upon the number of years remaining in the original obligation to the Commission. The Commission and the Sponsor hereby agree that during said period, the property and improvements which constitute the subject airport are subject to sale, if necessary, for the recovery of the federal pro rata share of improvement costs should this Agreement be terminated by a breach of contract on the part of the Sponsor or should the aforementioned obligations not be met.

(C) In this Section, the term "any sale or disposition of the airport" shall mean any sale or disposition of the airport: 1. for a use inconsistent with the purpose for which the Commission's share was originally granted pursuant to this Agreement; or 2. for a use consistent with such purposes wherein the transferee in the sale or disposition does not enter into an assignment and assumption Agreement with the Sponsor with respect to the Sponsor's obligation under the instrument so that the transferee becomes obligated thereunder as if the transferee had been the original owner thereof.

(29) AMENDMENTS: Any change in this Agreement, whether by modification or supplementation, must be accomplished by a formal contract amendment signed and approved by the duly authorized representative of the Sponsor and the Commission.

(30) PROFESSIONAL SERVICES BY COMPETITIVE PROPOSALS: Contracts for professional services are to be procured by competitive proposals per federal procurement requirements (49 CFR §18.36). Requests for proposals/qualifications are to be publicly announced for services expected to cost more than One Hundred Thousand dollars (\$100,000) in the aggregate. Small purchase procedures (telephone solicitations or direct mail) may be used for services costing One Hundred Thousand Dollars (\$100,000) or less. All professional services contracts are subject to review and acceptance by the Commission prior to execution by the Sponsor to ensure funding eligibility.

(31) ASSIGNMENT: The Sponsor shall not assign, transfer or delegate any interest in this Agreement without the prior written consent of the Commission.

(32) BANKRUPTCY: Upon filing for any bankruptcy or insolvency proceeding by or against the Sponsor, whether voluntarily, or upon the appointment of a receiver, trustee, or assignee, for the benefit of creditors, the Commission reserves the right and sole discretion to either cancel this Agreement or affirm this Agreement and hold the Sponsor responsible for damages.

(33) COMMISSION REPRESENTATIVE: The Commission's assistant chief engineer is designated as the Commission's representative for the purpose of administering the provisions of this Agreement. The Commission's representative may designate by written notice other persons having the authority to act on behalf of the

Commission in furtherance of the performance of this Agreement.

(34) FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) OF 2006: The Sponsor shall comply with all reporting requirements of the FFATA of 2006, as amended. This Agreement is subject to the award terms within 2 CFR Part 170.

(35) BAN ON TEXTING WHILE DRIVING: In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Sponsor is encouraged to:

(A) Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to a grant or subgrant.

(B) Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:

1. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and

2. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.

(36) TRAFFICKING IN PERSONS:

(A) The Commission may unilaterally terminate this Agreement, without penalty, if the Sponsor or a subcontractor that is a private entity:

1. Is determined to have:

A. Engaged in severe forms of trafficking in persons during the period of time that this Agreement and any subgrants entered into pursuant to this Agreement are in effect;

B. Procured a commercial sex act during the period of time that this Agreement, including any subgrants entered into pursuant to this Agreement, are in effect; or

C. Used forced labor in the performance of this Agreement, including any subgrants entered into pursuant to this Agreement; or

2. Has an employee who is determined by the Commission official authorized to terminate the Agreement to have violated a prohibition in

subparagraph (36)(A)1.A. above through conduct that is either associated with performance under this Agreement or imputed to the Sponsor or subcontractor using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR Part 180, "OMB Guidelines to Agencies on Government wide Debarment and Suspension (Nonprocurement)," as implemented by the FAA at 2 CFR Part 1200.

(B) The Sponsor must notify the Commission immediately of any information the Sponsor receives from any source alleging a violation of a prohibition in subparagraph (36)(A)1. of this Agreement, including subgrants entered into pursuant to this Agreement.

(C) The Commission's right to terminate unilaterally that is described in subparagraph (36)(A)1. of this Agreement:

1. Implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 USC 7104(g)); and

2. Is in addition to all other remedies for noncompliance that are available to the Commission under this Agreement.

(D) The Sponsor shall include the requirements of subparagraph (36)(A)1. of this Agreement in any subgrant entered into pursuant to this Agreement.

(37) SUSPENSION OR DEBARMENT: Sponsors entering into "covered transactions", as defined by 2 CFR §180.200, must:

(A) Verify the non-federal entity is eligible to participate in this Federal program by:

1. Checking the excluded parties list system (EPLS) as maintained within the System for Award Management (SAM) to determine if non-federal entity is excluded or disqualified; or

2. Collecting a certification statement from the non-federal entity attesting they are not excluded or disqualified from participating; or

3. Adding a clause or condition to covered transactions attesting individual or firm are not excluded or disqualified from participating; and

(B) Require prime contractors to comply with 2 CFR §180.330 when entering into lower-tier transactions (e.g., subcontracts).

(38) SYSTEM FOR AWARD MANAGEMENT REGISTRATION AND UNIQUE ENTITY IDENTIFIER:

(A) Requirement for System for Award Management (SAM): Unless the Sponsor is exempted from this requirement under 2 CFR 25.110, the Sponsor must maintain the currency of its information in SAM until the Commission submits the final financial report required under this grant, or receives the final payment, whichever is later. This requires that the Commission review and update, and will require the Sponsor to review and update, the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at <http://www.sam.gov>).

(B) Unique Entity Identifier (UEI) means a twelve (12) character alpha-numeric value used to identify a specific commercial, nonprofit or governmental entity. A UEI may be obtained from SAM.gov at <https://sam.gov/SAM/pages/public/index.jsf>.

(39) FINANCIAL REPORTING AND PAYMENT REQUIREMENTS: The Sponsor will comply with all federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.

(40) EMPLOYEE PROTECTION FROM REPRISALS:

(A) Prohibition of Reprisals: In accordance with 41 USC §4712, an employee of the Sponsor, contractor, or subcontractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in subparagraph (40)(B) information that the employee reasonably believes is evidence of:

1. Gross mismanagement of a federal grant;
2. Gross waste of federal funds;
3. An abuse of authority relating to implementation or use of federal funds;
4. A substantial and specific danger to public health or safety; or
5. A violation of law, rule, or regulation related to a federal grant.

(B) Persons and Bodies Covered: The persons and bodies to which a disclosure by an employee is covered are as follows:

1. A member of Congress or a representative of a committee of Congress;
2. An Inspector General;
3. The Government Accountability Office;

4. A federal office or employee responsible for oversight of a grant program;
5. A court or grand jury;
6. A management office of the grantee or subgrantee; or
7. A federal or state regulatory enforcement agency.

(C) Submission of Complaint: A person who believes that they have been subjected to a reprisal prohibited by subparagraph (40)(A) of this Agreement may submit a complaint regarding the reprisal to the Office of Inspector General for the USDOT.

(D) Time Limitation for Submittal of a Complaint: A complaint may not be brought under this subsection more than three (3) years after the date on which the alleged reprisal took place.

(E) Required Actions of the Inspector General: Actions, limitations, and exceptions of the Inspector General's office are established under 41 USC §4712(b).

(F) Assumption of Rights to Civil Remedy: Upon receipt of an explanation of a decision not to conduct or continue an investigation by the Office of Inspector General, the person submitting a complaint assumes the right to a civil remedy under 41 USC §4712(c).

(41) AIRPORT LAYOUT PLAN: All improvements must be consistent with a current and approved Airport Layout Plan (ALP). The Sponsor shall update and keep the ALP drawings and corresponding narrative report current with regard to FAA standards and physical or operational changes at the airport.

(A) ALP approval shall be governed by FAA Order 5100.38, entitled "Airport Improvement Program Handbook."

(B) If ALP updates are required as a result of this project, the Sponsor understands and agrees to update the ALP to reflect the construction to standards satisfactory to the Commission and submit it in final form to the Commission. It is further mutually agreed that the reasonable cost of developing said ALP Map is an allowable cost within the scope of this project. Airport Sponsor Grant Assurance 29 further addresses the Sponsor's statutory obligations to maintain an ALP in accordance with 49 USC §47107(a)(16).

(C) The Sponsor has made available to (or will make available to) and has provided (or will provide) upon request to the metropolitan planning organization, if any, in the area in which the Airport is located, a copy of the proposed ALP or ALP

amendment to depict the project and a copy of any airport master plan in which the project is described or depicted.

(42) AIRPORT PROPERTY MAP: The Sponsor shall develop (or update), as a part of the ALP, a drawing which indicates how various tracts/parcels of land within the airport's boundaries were acquired (i.e., federal funds, surplus property, local funds only, etc.). Easement interests in areas outside the fee property line shall also be included. A screened reproducible of the Airport Layout Drawing may be used as the base for the property map.

(43) ENVIRONMENTAL IMPACT EVALUATION: The Sponsor shall evaluate the potential environmental impact of this project per the current version of FAA Order 5050.4, entitled "National Environmental Policy Act Implementing Instructions for Airport Actions." Evaluation must include coordination with all resource agencies that have jurisdiction over areas of potential environmental impact and a recommended finding such as categorical exclusion, no significant impact, level of impact and proposed mitigation, etc.

(44) EXHIBIT "A" PROPERTY MAP: The Exhibit "A" Property Map accepted by the Commission on April 18, 2018, is incorporated herein by reference.

(45) SOLID WASTE RECYCLING PLAN: The Sponsor certifies that it has a solid waste recycling plan as part of an existing Airport Master Plan, as prescribed by 49 USC §47106(a)(6).

(46) RUNWAY PROTECTION ZONE: The Sponsor agrees to take the following actions to maintain and/or acquire a property interest, satisfactory to the Commission and the FAA, in the Runway Protection Zones:

(A) Existing Fee Title Interest in the Runway Protection Zone: The Sponsor agrees to prevent the erection or creation of any structure, place of public assembly or other use in the Runway Protection Zone, as depicted on the Exhibit "A" Property Map and the approved ALP, except for NAVAIDS that are fixed by their functional purposes or any other structure permitted by the Commission and the FAA. The Sponsor further agrees that any existing structures or uses within the Runway Protection Zone will be cleared or discontinued by the Sponsor unless approved by the Commission and the FAA.

(B) Existing Easement Interest in the Runway Protection Zone: The Sponsor agrees to take any and all steps necessary to ensure that the owner of the land within the designated Runway Protection Zone will not build any structure in the Runway Protection Zone that is an airport hazard or which might create glare or misleading lights or lead to the construction of residences, fuel handling and storage facilities, smoke generating activities, or places of public assembly, such as churches, schools, office buildings, shopping centers, and stadiums.

(C) Future Interest in the Runway Protection Zone: The Sponsor agrees that it will make every effort to acquire fee title or easement in the Runway Protection Zones for runways that presently are not under its control within five (5) years of this grant agreement. The Sponsor further agrees to prevent the erection or creation of any structure or place of public assembly in the Runway Protection Zone, except for NAVAIDS that are fixed by their functional purposes or any other structure approved by the Commission and the FAA. The Sponsor further agrees that any existing structures or uses within the Runway Protection Zone will be cleared or discontinued by the Sponsor unless approved by the Commission and the FAA.

(47) ENGINEER'S DESIGN REPORT: Prior to development of the plans and specifications, the Sponsor shall provide an engineer's report setting forth the general analysis and explanation of reasons for design choices. Said report shall include an itemized cost estimate, design computations, reasons for selections and modifications, comparison of alternatives, life cycle cost analysis, geotechnical report and any other elements that support the engineer's final plans and specifications.

(48) GEOMETRIC DESIGN CRITERIA: The Sponsor shall use the geometric design criteria promulgated by the FAA in the AC series and in FAA Orders. The Sponsor may request and receive approval for adaptation of said criteria where the FAA and the Commission concur that such adaptation is appropriate considering safety, economy and efficiency of operation.

(49) PLANS, SPECIFICATIONS AND ESTIMATES: The plans and construction specifications for this project shall be those promulgated by the FAA in the AC series and in FAA Orders.

(A) The plans shall include a safety plan sheet to identify work areas, haul routes, staging areas, restricted areas, construction phasing, shutdown schedule etc., and to specify the requirements to ensure safety during construction.

(B) The Sponsor shall submit all plans, specifications and estimates to the Commission for review and acceptance prior to advertising for bids for construction. The Commission and the Sponsor agree that the Commission approval of the Sponsor's Plans and Specifications is based primarily upon the Sponsor's certification to carry out the project in accordance with policies, standards, and specifications approved by the FAA. The Sponsor understands that:

1. The Sponsor's certification does not relieve the Sponsor of the requirement to obtain prior Commission and FAA approval for modifications to any AIP or supplemental appropriation standards or to notify the Commission of any limitations to competition within the project;

2. The Commission's acceptance of a Sponsor's certification does not limit the Commission from reviewing appropriate project documentation for the purpose of validating the certification statements; and

3. If the Commission determines that the Sponsor has not complied with its certification statements, the Commission will review the associated project costs to determine whether such costs are allowable under AIP or supplemental appropriation.

(50) SPECIAL CONDITIONS: The following special conditions are hereby made part of this Agreement:

(A) Lobbying and Influencing Federal Employees: All contracts awarded by the Sponsor shall include the Certification Regarding Lobbying required by the FAA. This requirement affects grants or portions of a grant exceeding one hundred thousand dollars (\$100,000).

(B) Buy American Requirements: Unless otherwise approved in advance by the Commission and the FAA, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured goods produced outside the United States to be used for any project for which funds are provided under this Agreement. The Sponsor will include a provision implementing Buy American in every subgrant funded by this Agreement. The Sponsor agrees to abide by applicable Executive Orders in effect at the time this Agreement is executed, including Executive Order 14005, Ensuring the Future Is Made in All of America by All of America's Workers.

(C) Safety Inspection: The Sponsor shall eliminate all deficiencies identified in its most recent annual safety inspection report (FAA Airport Master Record Form 5010-1). If immediate elimination is not feasible, as determined by the Commission, the Sponsor shall provide a satisfactory plan to eliminate the deficiencies and shall include this plan with phased development as outlined in a current and approved ALP.

(D) Navigational Aids: Except for instrument landing systems acquired with the AIP (block grant) funds and later donated to and accepted by the FAA, the Sponsor must provide for the continuous operation and maintenance of any navigational aid funded under the AIP (block grant) program during the useful life of the equipment unless the equipment is transferred by agreement to the FAA in accordance with 49 USC §44502(E). The Sponsor must check the facility, including instrument landing systems, prior to commissioning to ensure it meets the FAA's standards. The Sponsor must also remove, relocate, lower, mark, or light each obstruction to obtain a clear approach as indicated in the 14 CFR Part 77 aeronautical survey.

(E) Environmental Due Diligence Audit: The Sponsor shall conduct an Environmental Due Diligence Audit (EDDA) of all NAVAID (electronic navigational equipment) sites that will be established or relocated with federal (block grant) funds. This audit shall include existing equipment currently owned and operated by the FAA Airways Facilities Branch and new equipment for which the Sponsor will be requesting FAA maintenance.

(F) Grant Made on Preliminary Plans and Specifications and/or Estimates: The Sponsor understands and agrees that this grant is made and accepted upon the basis of preliminary plans, specifications and/or estimates. The parties agree that within 120 calendar days from the date of acceptance of this grant, the Sponsor shall furnish final plans and specifications to the Commission. Construction work shall not commence, and a contract shall not be awarded for the accomplishment of such work, until the final plans and specifications have been accepted by the Commission. Any reference made in this grant to plans and specifications shall be considered a reference to the final plans and specifications as accepted.

Since this grant is made on preliminary plans and specifications and/or estimates, the grant amount is subject to revision (increase or decrease) after actual project costs are determined through negotiations, appraisals and/or bids. The Sponsor agrees that said revision will be at the sole discretion of the Commission.

(G) Sponsor's Disadvantaged Business Enterprise Program: When the grant amount exceeds Two Hundred Fifty Thousand Dollars (\$250,000), the Sponsor hereby adopts the Commission's DBE program that is incorporated into this grant agreement by reference. Only DBE firms certified by the Commission will qualify when considering DBE goal accomplishments.

(H) Disadvantaged Business Enterprise Required Statements:

1. Policy: It is the policy of the USDOT that DBEs, as defined in 49 CFR Part 26, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this Agreement. Consequently, the DBE requirements of 49 CFR Part 26 apply to this Agreement.

2. Contract Assurance: The Commission and the Sponsor will ensure that the following clause is placed in every USDOT-assisted contract and subcontract:

"The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out the applicable requirements of Title 49 Code of Federal Regulations, Part 26 in the award and administration of any United States Department of Transportation-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate."

(This assurance shall be included in each subcontract the prime contractor signs with a subcontractor.)

3. Federal Financial Assistance Agreement Assurance: The Commission and the Sponsor agree to and incorporate the following assurance into their

day-to-day operations and into the administration of all USDOT-assisted contracts; where “recipient” means MoDOT and/or any MoDOT grantee receiving USDOT assistance:

“MoDOT and the Sponsor shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any United States Department of Transportation-assisted contract or in the administration of the United States Department of Transportation’s DBE Program or the requirements of Title 49 Code of Federal Regulations, Part 26. The recipient shall take all necessary and reasonable steps under Title 49 Code of Federal Regulations, Part 26 to ensure nondiscrimination in the award and administration of United States Department of Transportation-assisted contracts. The recipient’s DBE Program, as required by Title 49 Code of Federal Regulations, Part 26 and as approved by the United States Department of Transportation, is incorporated by reference into this agreement. Implementation of this program is a legal obligation and for failure to carry out its approved program, the United States Department of Transportation may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under Title 18 United States Code, Section 1001 and/or the Program Fraud Civil Remedies Act of 1986 (Title 31 United States Code, Section 3801 *et seq.*).”

The Commission and the Sponsor shall ensure that all recipients of USDOT-assisted contracts, funds, or grants incorporate, agree to, and comply with the assurance statement.

4. Prompt Payment: The Commission and the Sponsor shall require all contractors to pay all subcontractors and suppliers for satisfactory performance of services in compliance with section 34.057 RSMo, Missouri’s prompt payment statute. Pursuant to section 34.057 RSMo, the Commission and the Sponsor also require the prompt return of all retainage held on all subcontractors after the subcontractors’ work is satisfactorily completed, as determined by the Sponsor and the Commission.

All contractors and subcontractors must retain records of all payments made or received for three (3) years from the date of final payment, and these records must be available for inspection upon request by any authorized representative of the Commission, the Sponsor, or the USDOT. The Commission and the Sponsor will maintain records of actual payments to DBE firms for work committed to at the time of the contract award.

The Commission and the Sponsor will perform audits of contract payments to DBE firms. The audits will review payments to subcontractors to ensure that the actual amount paid to DBE subcontractors equals or exceeds the dollar amounts stated in the schedule of DBE participation and that payment was made in compliance with section 34.057 RSMo.

5. MoDOT DBE Program Regulations: The Sponsor, contractor

and each subcontractor are bound by MoDOT's DBE Program regulations, located at Title 7 Code of State Regulations, Division 10, Chapter 8.

(I) Disadvantaged Business Enterprises—Professional Services: DBEs that provide professional services, such as architectural, engineering, surveying, real estate appraisals, accounting, legal, etc., will be afforded full and affirmative opportunity to submit qualification statements/proposals and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for selection for this project. The DBE goals for professional services will be determined by the Commission at the time each proposed service contract is submitted for the Commission's approval.

(J) Consultant Contract and Cost Analysis: The Sponsor understands and agrees that no reimbursement will be made on the consultant contract portion of this Agreement until the Commission has received the consultant contract, the Sponsor's analysis of costs, and the independent fee estimate.

(K) Design Grant: This grant agreement is being issued in order to complete the design of the project. The Sponsor understands and agrees that within two years after design is completed that the Sponsor will accept, subject to the availability of the amount of federal funding identified in the Airport Capital Improvement Plan, a grant to complete the construction of the project in order to provide a useful and useable unit of work. The Sponsor also understands that if the Commission has provided federal funding to complete design for the project, and the Sponsor has not completed the design within four years from the execution of this grant agreement, the Commission may suspend or terminate grants related to the design.

(L) Pavement Maintenance Management Program: The Sponsor agrees to implement an effective airport pavement maintenance management program as required by Grant Assurance 11, Pavement Preventive Management, which is codified at 49 USC §47105(e). The Sponsor agrees that it will use the program for the useful life of any pavement constructed, reconstructed, rehabilitated, or repaired with federal financial assistance at the airport. The Sponsor further agrees that the program will:

1. Follow FAA Advisory Circular 150/5380-6, "Guidelines and Procedures for Maintenance of Airport Pavements", for specific guidelines and procedures for maintaining airport pavements, establishing an effective maintenance program, specific types of distress and its probable cause, inspection guidelines, and recommended methods of repair;

2. Detail the procedures to be followed to assure that proper pavement maintenance, both preventive and repair, is performed;

3. Include a Pavement Inventory, Inspection Schedule, Record Keeping, Information Retrieval, and Reference, meeting the following requirements:

A. Pavement Inventory. The following must be depicted in an appropriate form and level of detail:

- (i) Location of all runways, taxiways, and aprons;
- (ii) Dimensions;
- (iii) Types of pavement; and
- (iv) Year of construction or most recent major rehabilitation.

B. Inspection Schedule.

(i) Detailed Inspection. A detailed inspection must be performed at least once a year. If a history of recorded pavement deterioration is available, i.e., Pavement Condition Index (PCI) survey as set forth in the Advisory Circular 150/5380-6, the frequency of the inspections may be extended to three (3) years.

(ii) Drive-By Inspection. A drive-by inspection must be performed a minimum of once per month to detect unexpected changes in the pavement condition. For drive-by inspections, the date of inspection and any maintenance performed must be recorded.

4. Record Keeping. Complete information on the findings of all detailed inspections and on the maintenance performed must be recorded and kept on file for a minimum of five (5) years. The type of distress, location, and remedial action, scheduled or performed, must be documented. The minimum information is:

- A. Inspection date;
- B. Location;
- C. Distress types; and
- D. Maintenance scheduled or performed.

5. Information Retrieval System. The Sponsor must be able to retrieve the information and records produced by the pavement survey to provide a report to the Commission as may be required.

(M) Maintenance Project Life: The Sponsor agrees that pavement maintenance is limited to those aircraft pavements that are in sufficiently sound condition that they do not warrant more extensive work, such as reconstruction or overlays in the immediate or near future. The Sponsor further agrees that AIP or supplemental

appropriation funding for the pavements maintained under this project will not be requested for more substantial type rehabilitation (more substantial than periodic maintenance) for a five (5) year period following the completion of this project unless the Commission and the FAA determine that the rehabilitation or reconstruction is required for safety reasons.

(N) Projects Which Contain Paving Work in Excess of \$500,000: The Sponsor agrees to:

1. Furnish a construction management program to the Commission prior to the start of construction which details the measures and procedures to be used to comply with the quality control provisions of the construction contract, including, but not limited to, all quality control provisions and tests required by the Federal specifications. The program must include as a minimum:

A. The name of the person representing the Sponsor who has overall responsibility for contract administration for the project and the authority to take necessary actions to comply with the contract;

B. Names of testing laboratories and consulting engineer firms with quality control responsibilities on the project, together with a description of the services to be provided;

C. Procedures for determining that the testing laboratories meet the requirements of the American Society of Testing and Materials Standards on laboratory evaluation referenced in the contract specifications (D 3666, C 1077);

D. Qualifications of engineering supervision and construction inspection personnel;

E. A listing of all tests required by the contract specifications, including the type and frequency of tests to be taken, the method of sampling, the applicable test standard, and the acceptance criteria or tolerances permitted for each type of test; and

F. Procedures for ensuring that the tests are taken in accordance with the program, that they are documented daily, and that the proper corrective actions, where necessary, are undertaken.

2. Submit at completion of the project, a final test and quality control report documenting the summary results of all tests performed, highlighting those tests that indicated failure or that did not meet the applicable test standard. The report must include the pay reductions applied and the reasons for accepting any out-of-tolerance material. An interim test and quality control report must be submitted, if requested by the Commission.

3. Failure to provide a complete report as described in subparagraph 1.(B) above, or failure to perform such tests, will, absent any compelling justification, result in a reduction in Federal participation for costs incurred in connection with construction of the applicable pavement. Such reduction will be at the discretion of the Commission and will be based on the type or types of required tests not performed or not documented and will be commensurate with the proportion of applicable pavement with respect to the total pavement constructed under the grant agreement.

4. The Commission, at its discretion, reserves the right to conduct independent tests and to reduce grant payments accordingly if such independent tests determine that sponsor test results are inaccurate.

(O) Lighting: The Sponsor must operate and maintain the lighting system during the useful life of the system in accordance with applicable Commission and FAA standards.

(P) Utility Relocation in Project: The Sponsor understands and agrees that:

1. The United States will not participate in the cost of any utility relocation unless and until the Sponsor has submitted evidence satisfactory to the Commission that the Sponsor is legally responsible for payment of such costs;

2. Federal participation is limited to those utilities located on-airport or off-airport only where the Sponsor has an easement for the utility; and

3. The Utilities exclusively serve the Airport on which the project supports.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties have entered into and accepted this Agreement on the last date written below.

Executed by Sponsor on 2024-04-18 | 4:55 PM CDT (date).

Executed by Commission on 2024-04-22 | 10:13 AM CDT (date).

CERTIFICATE OF SPONSOR'S ATTORNEY

I, Cole Bradbury, acting as attorney for the Sponsor, do hereby certify that in my opinion, the Sponsor is empowered to enter into the foregoing grant Agreement under the laws of the State of Missouri. Further, I have examined the foregoing grant Agreement, and the actions taken by said Sponsor and Sponsor's official representative have been duly authorized and the execution thereof is in all respects due and proper and in accordance with the laws of the said state and the Airport and Airway Improvement Act of 1982, as amended. In addition, for grants involving projects to be carried out on property not owned by the Sponsor, there are no legal impediments that will prevent full performance by the Sponsor. Further, it is my opinion that the said grant constitutes a legal and binding obligation of the Sponsor in accordance with the terms thereof.

EXHIBIT 1
ASSURANCES
AIRPORT SPONSORS

A. General.

- a. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
- b. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
- c. Upon acceptance of this grant offer by the sponsor, these assurances are incorporated in and become part of this grant agreement.

B. Duration and Applicability.

- a. **Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.**

The terms, conditions and assurances of this grant agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

- b. **Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.**

The preceding paragraph 1 also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

- c. **Airport Planning Undertaken by a Sponsor.**

Unless otherwise specified in this grant agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 25, 30, 32, 33, and 34 in Section C apply to planning projects. The terms, conditions, and assurances of this grant agreement shall remain in full force and effect during the life of the project; there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport.

C. Sponsor Certification.

The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements

It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance and use of Federal funds for this project including but not limited to the following:

FEDERAL LEGISLATION

- a. Title 49, U.S.C., subtitle VII, as amended.
- b. Davis-Bacon Act — 40 U.S.C. 276(a), et seq.¹
- c. Federal Fair Labor Standards Act - 29 U.S.C. 201, et seq.
- d. Hatch Act – 5 U.S.C. 1501, et seq.²
- e. Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 Title 42 U.S.C. 4601, et seq.^{1 2}
- f. National Historic Preservation Act of 1966 – Section 106 - 16 U.S.C. 470(f).¹
- g. Archeological and Historic Preservation Act of 1974 - 16 U.S.C. 469 through 469c.¹
- h. Native Americans Grave Repatriation Act - 25 U.S.C. Section 3001, et seq.
- i. Clean Air Act, P.L. 90-148, as amended.
- j. Coastal Zone Management Act, P.L. 93-205, as amended.
- k. Flood Disaster Protection Act of 1973 – Section 102(a) - 42 U.S.C. 4012a.¹
- l. Title 49, U.S.C., Section 303, (formerly known as Section 4(f))
- m. Rehabilitation Act of 1973 - 29 U.S.C. 794.
- n. Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- o. Americans with Disabilities Act of 1990, as amended, (42 U.S.C. § 12101 et seq.), prohibits discrimination on the basis of disability).
- p. Age Discrimination Act of 1975 - 42 U.S.C. 6101, et seq.
- q. American Indian Religious Freedom Act, P.L. 95-341, as amended.
- r. Architectural Barriers Act of 1968 -42 U.S.C. 4151, et seq.¹
- s. Power plant and Industrial Fuel Use Act of 1978 – Section 403- 2 U.S.C. 8373.¹
- t. Contract Work Hours and Safety Standards Act - 40 U.S.C. 327, et seq.¹
- u. Copeland Anti-kickback Act - 18 U.S.C. 874.¹
- v. National Environmental Policy Act of 1969 - 42 U.S.C. 4321, et seq.¹
- w. Wild and Scenic Rivers Act, P.L. 90-542, as amended.
- x. Single Audit Act of 1984 - 31 U.S.C. 7501, et seq.²
- y. Drug-Free Workplace Act of 1988 - 41 U.S.C. 702 through 706.
- z. The Federal Funding Accountability and Transparency Act of 2006, as amended (Pub. L. 109-282, as amended by section 6202 of Pub. L. 110-252).

EXECUTIVE ORDERS

- a. Executive Order 11246 – Equal Employment Opportunity¹

- b. Executive Order 11990 – Protection of Wetlands
- c. Executive Order 11998 – Flood Plain Management
- d. Executive Order 12372 – Intergovernmental Review of Federal Programs
- e. Executive Order 12699 – Seismic Safety of Federal and Federally Assisted New Building Construction¹
- f. Executive Order 12898 – Environmental Justice

FEDERAL REGULATIONS

- a. 2 CFR Part 180 – OMB Guidelines to Agencies on Government-wide Debarment and Suspension (Non-procurement).
- b. 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. [OMB Circular A-87 Cost Principles Applicable to Grants and Contracts with State and Local Governments, and OMB Circular A-133 - Audits of States, Local Governments, and Non-Profit Organizations].^{4, 5, 6}
- c. 2 CFR Part 1200 – Non-procurement Suspension and Debarment.
- d. 14 CFR Part 13 – Investigative and Enforcement Procedures
- e. 14 CFR Part 16 – Rules of Practice For Federally Assisted Airport Enforcement Proceedings.
- f. 14 CFR Part 150 – Airport noise compatibility planning.
- g. 28 CFR Part 35 – Discrimination on the Basis of Disability in State and Local Government Services.
- h. 28 CFR § 50.3 – U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964.
- i. 29 CFR Part 1 – Procedures for predetermination of wage rates.¹
- j. 29 CFR Part 3 – Contractors and subcontractors on public building or public work financed in whole or part by loans or grants from the United States.¹
- k. 29 CFR Part 5 – Labor standards provisions applicable to contracts covering federally financed and assisted construction (also labor standards provisions applicable to non-construction contracts subject to the Contract Work Hours and Safety Standards Act).¹
- l. 41 CFR Part 60 – Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor (Federal and federally assisted contracting requirements).¹
- m. 49 CFR Part 18 – Uniform administrative requirements for grants and cooperative agreements to state and local governments.³
- n. 49 CFR Part 20 – New restrictions on lobbying.

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this grant agreement.

FOOTNOTES TO ASSURANCE C.1.

- ¹ These laws do not apply to airport planning sponsors.
- ² These laws do not apply to private sponsors.
- ³ 49 CFR Part 18 and 2 CFR Part 200 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.
- ⁴ On December 26, 2013 at 78 FR 78590, the Office of Management and Budget (OMB) issued the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200. 2 CFR Part 200 replaces and combines the former Uniform Administrative Requirements for Grants (OMB Circular A-102 and Circular A-110 or 2 CFR Part 215 or Circular) as well as the Cost Principles (Circulars A-21 or 2 CFR part 220; Circular A-87 or 2 CFR part 225; and A-122, 2 CFR part 230). Additionally it replaces Circular A-133 guidance on the Single Annual Audit. In accordance with 2 CFR section 200.110, the standards set forth in Part 200 which affect administration of Federal awards issued by Federal agencies become effective once implemented by Federal agencies or when any future amendment to this Part becomes final. Federal agencies, including the Department of Transportation, must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014 unless different provisions are required by statute or approved by OMB.
- ⁵ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁶ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

2. Responsibility and Authority of the Sponsor.

- a. Public Agency Sponsor:

It has legal authority to apply for this grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of

the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this grant agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
- b. Subject to the FAA Act of 2018, Public Law 115-254, Section 163, it will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and

assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in this grant agreement and shall insure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the

communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under section 44706 of Title 49, United States Code, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this grant, the total cost of the project in connection with which this grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40

U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this grant agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.

- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-
 - 1. Operating the airport's aeronautical facilities whenever required;
 - 2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 - 3. Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-
 - 1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
- d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
- e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
- f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.
- g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
- h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
- i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 1. If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 2. If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from

the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.

3. Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at Section 47102 of title 49 United States Code), if the FAA determines the airport sponsor meets the requirements set forth in Sec. 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government

aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that –

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, it will keep up to date at all times an airport layout plan of the airport showing:
 1. boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 2. the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 3. the location of all existing and proposed non-aviation areas and of all existing improvements thereon; and
 4. all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the

Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this grant.

- a. Using the definitions of activity, facility and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by, or pursuant to these assurances.

- b. Applicability

1. Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
2. Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

- c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
2. So long as the sponsor retains ownership or possession of the property.

- d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this grant agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

"The (**Name of Sponsor**), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged

business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

e. Required Contract Provisions.

1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a. For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order, (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund. If land acquired under a grant for

noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.

- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (1) upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order: (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund.
- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a) (b) or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

Engineering and Design Services. If any phase of such project has received Federal funds under Chapter 471 subchapter 1 of Title 49 U.S.C., it will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services in the same manner as a contract for architectural and engineering services is negotiated under Chapter 11 of Title 40 U. S. C., or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out any project funded under an Airport Improvement Program Grant in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, current FAA Advisory Circulars for AIP projects as of [Application Date].

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in section 47102 of title 49, U.S.C.) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide

service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that-

1. Describes the requests;
 2. Provides an explanation as to why the requests could not be accommodated; and
 3. Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.
