Section 610.170 Additional Requirements for Food Trucks.

A. Any person operating a Food Truck:

1. Shall not operate within City limits without a merchant's license as required by Section **605.020** of this Code.
2. Shall not set up and remain in a fixed location unless all requirements of the Zoning Code of the City have been met.
3. Shall not operate within 200 feet of any Bar, Restaurant, or Outdoor Dining Area as those terms are defined in Section **405.020** of this Code without the written consent of such Bar, Restaurant, or Outdoor Dining Area, unless operating on the property of an existing Bar or Restaurant with the permission of the owner or other person in rightful control of the property (such as a lessee). Such distance shall be measured between the Food Truck and the nearest edge of the other structure (including walls, awnings, patios, decks, stairs, or any like improvements).
4. Shall not stand, walk, or loiter on the roadway or in any other manner stall, delay or obstruct the normal flow of traffic.
5. Shall not operate in such a manner as to cause grease or other waste to flow into private or public sewers, or otherwise violate the requirements of Section **710.280** of this Code regarding prohibited discharges.
6. Shall not fail to provide means for the Food Truck and its customers to dispose of trash and other solid waste in a sanitary and safe manner, or to fail to collect and dispose of solid waste attributable to the Food Truck, or to otherwise violate Section **215.060** of this Code.

7. Shall comply with all applicable federal, state, and local laws regarding food service and food safety, including but not limited to the Missouri Food Code as stated in 19 C.S.R. § 20-1.025 Sanitation of Food Establishments.
 8. Shall comply with all requirements and instructions of the Health Departments of Camden and/or Miller Counties (as appropriate).
- B. Upon the violation of any of the terms of this Article, any Food Truck Permit may be temporarily suspended by the City Clerk, or revoked after an opportunity for a hearing by the City Administrator upon serious or repeated violations. The City Clerk shall have the specific authority to suspend the permit of any Food Truck when such shall constitute a public health hazard or jeopardizes public health by reason of food that is unsafe for human consumption. Any Food Truck may at any time make an application for the reinstatement of its permit. Within five business days after the receipt of a satisfactory application, accompanied by a statement signed by the applicant to the effect that the violated provision has been conformed with, the City Clerk shall determine whether the violation has been corrected and so inform the applicant. Once the City Clerk determines the violation has been resolved, the Food Truck Permit shall be reissued unless it has been revoked under this section.
